- **Age Appropriate**: Special care has been taken to ensure all music and moves are age appropriate.

- **FREE Performance**: Kids love showing off and they are going to want to show off their new moves from the Hip-hop Schools program. Our instructor will organise the performance and attend the event (day or night) to ensure it runs smoothly! This is free and is included with every program.

Leadership Ceremony on Monday 25th February 2013:
The Dalby State School Leadership Ceremony will be on Monday 25th February in Kavney Hall. This is a special ceremony where we will induct our school leaders in front of our students, staff and parents. The ceremony will be from 9am – 10am. Morning tea will follow for parents of school leaders and invited guests. I would like to thank the P&C for providing morning tea for this special occasion.

C2C curriculum:
This Year our students will continue to work on the National Curriculum, studying core subjects such as English, Maths, Science and History as well as Technology, The Arts, HPE and Music. The development of the Australian Curriculum is guided by the Melbourne Declaration on Educational Goals for Young Australians, adopted by the Ministerial Council in December 2008. The Melbourne Declaration emphasises the importance of knowledge, skills and understandings of learning areas, general capabilities and cross-curriculum priorities as the basis for a curriculum designed to support 21st century learning. The F-10 Australian Curriculum sets out the core knowledge, understanding, skills and general capabilities important for all Australian students. It describes the learning entitlement of students as a foundation for their future learning, growth and active participation in the Australian community. It makes clear what all young Australians should learn as they progress through schooling. It is the foundation for high quality teaching to meet the needs of all Australian students.

Australian Curriculum, Assessment and Reporting Authority (ACARA) have developed the Australian Curriculum in consultation with states and territories. Education Authorities in each state and territory have responsibility for implementation of the Australian Curriculum and for supporting schools and teachers. The new subject that has been introduced this year is history. History will be taught from Prep to Year 7.

Any questions around National Curriculum or C2C, please speak to your teacher, Mrs Maguire, Mr Wood or Ms Anau.

**EXPERIENCE ANOTHER CULTURE IN 2013 AND IMPROVE YOUR LANGUAGE STUDIES AT HOME**
In June-July students from over 20 countries around the world will be arriving in Australia to study at local high schools for 5 or 10 months. Opportunities exist for families to act as a host family, in a volunteer capacity. Hosting can be on a temporary, short or long term basis. Host families help provide international students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill.
If your family can offer a friendly, supportive and caring home environment, contact us today.
To hear more about this wonderful opportunity or our student exchange programs out of Australia Call Student Exchange Australia New Zealand on 1300 135 331 or visit www.studentexchange.org.au/host.
