Principals Pen,

I would like to congratulate all the winners and participants involved in our Year 4-7 Cross Country. Thank you to Mr Kavney for organising the School Cross Country; and to the teaching and non-teaching staff who supported the event on the day. I would also like to thank BMO for their financial contribution and support and thank those parents and families who attended the Year 4-7 Cross Country. I am looking forward to the Prep to Year 3 Cross Country this afternoon on our school oval.

The Parent Teacher interviews held on Monday were a success and I’d like to thank those parents who attended this event. Please continue to communicate with your child’s/children’s classroom teacher to ensure you are kept in the loop with their progress.

NAPLAN (Tuesday 14th, Wednesday 15th and Thursday 16th May)

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. NAPLAN tests the types of skills that are essential for every child to progress through school and life, such as reading, writing, spelling and numeracy. The assessments are undertaken nationwide, every year, in early May. NAPLAN is made up of tests in the four areas (or ‘domains’) of:

- Reading
- Writing
- Language Conventions (spelling, grammar and punctuation)
- Numeracy

Below is a brief indication on NAPLAN test dates and the type of test that students in Year 3, 5 & 7 will participate in:

The Premier’s Reading Challenge:

Reading opens up a world of educational opportunities for young people, providing the foundation for learning for the rest of their life. An enjoyment of books not only encourages an active imagination, but allows the reader to learn about their world and develop literacy skills.
