Attention Stall Holders

Due to extreme fire damage sustained by our school and the ongoing ramifications of the fire and the rebuilding process, please be aware that we will make the best attempt to meet your requirements when allocating sites. However, in some cases this may not be completely possible. Thank you in advance for your patience and co-operation.

Due to the cost of insurance, we must insist that a copy of your current public liability insurance certificate is returned with your booking form. We are unable to book your site until this is provided by you.
