Dalby State School

Student Resource Scheme – Year 6

Dear Parents/Guardians,

This letter contains important information about the **2027 Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, equipment for personal use, and items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost-effective alternative to purchasing textbooks and/or resources elsewhere, Dalby State School operates an SRS for year 6 in 2027

The scheme ensures that students have the resources required for them to engage with the curriculum for their education and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme. The financial impact on parents and whether the school can absorb any of the cost has been considered before determining the SRS fee.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 8/09/2026.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Student is new to the school…..

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

Continuing student of the school…..

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

For more detailed information about the SRS can be found on the Department's website: (https://ppr.qed.qld.gov.au/pp/student-resource-scheme-srs-procedure).

For general information on school fees and charges please see the 'parents and carers' site on School fees and charges.

Resource Inclusions

All resources included in the SRS are detailed in the attached SRS resource list. This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme.

Parents must inform the school if items on the list of resources are not received by their child when resources are distributed.

The Back to School Boost

In 2027 the Queensland Government will allocate a $150 Back to School Boost credit to each eligible child's account. This funding is to assist parents to cover the cost of school essentials for primary school students (Prep to Year 6).

The SRS Participation Fee

The SRS fee payable for the year is available in the attached information and published on the school's website.

For primary school students, the Back to School Boost can be applied to reduce the SRS fee payable. If you would like the $150 to be applied to your SRS fee, please indicate this by **opting in** on the SRS Fee Payment Arrangement Form.

Financial Hardship

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the school to discuss available options in confidence.

Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school.

Any unpaid invoices will be managed according to the department's Debt Management Procedure. Only as a last resort, a Principal may use discretion to exclude a student from optional, non-curricular activities where a parent has an outstanding debt with the school. (https://ppr.qed.qld.gov.au/pp/debt-management-procedure).

Payment Method

SRS payments can be made by QParents/BPOINT, QKR, EFTPOS, Cash and Centrepay.

- Payment may be made through the QParents portal using a credit card. Payment will be directed from the QParents portal to BPOINT where relevant outstanding invoice information may be selected.
- When paying by BPOINT, please use the Customer Reference Number (CRN) and invoice number printed on the invoice received from the school. If unsure of the CRN, please contact the school.
