Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximizing the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

**Strategies implemented include:**

- Increase teacher’s repertoire of effective strategies for teaching text processing and comprehension across learning areas
- Develop collaborative data inquiry processes to build teacher’s ability to interpret data, ider and scale up effective teaching practices and differentiate effectively in the classroom.
- Embed the culture, climate, processes and protocols of classroom observation and feedback support professional development and reflective practice/action learning
- Provide education for parents of pre-Prep to support the development of oral language and literacy and numeracy skills at home
- Develop a network of local early childhood centres and kindergartens to enhance knowledge on-entry to Prep expectations and to assist in a smooth transition of children into Prep and
- Better prepare and support teacher aides to consolidate student learning in numeracy and (including oral language and metalinguistic)
