During term 3, Dalby State School participated in Jump Rope for Heart to raise money for the Heart Foundation. Students dressed up in red and white and collected money to donate. We raised over $1500, which goes towards helping hospitals and patients with heart problems. As part of our very healthy day, each student brought a piece of fruit to school and we held skipping competitions for fun and a little fitness as well. All of our students enjoyed this event.

Slip Slop Slap

As the heat gets hotter, Dalby State School’s classes get cooler. Students have dived into the pool eagerly as the season is getting warmer. Students have been practicing in the pool to succeed in the upcoming annual school swimming carnival, which will be held on 2nd & 5th of December. Year 7 student Kristen stated that she was looking forward to the swimming carnival because it’s her last primary school carnival ever. “I’m a little bit nervous but also calm at the same time,” she said.

Net Set Go

Dalby State School was represented by five netball teams every Saturday during the netball season. Netballers from far and wide converged on Dalby’s PCYC courts to compete in the local netball competition. Our school had 2 Nipper teams, a Junior C, Junior B and a Junior A team. Everyone had a great time during and after their games, with both the Junior A and Junior B teams making it to the Grand Final. Unfortunately, neither team walked away with the winner’s trophy but, as our teams know, it isn’t all about winning. It’s
Electric Excursion

At the end of term 3, Year 6 students went to the Brisbane Science Centre and the Queensland Museum. We participated in a crime exhibition, an ocean exhibition and looked around the Science Centre. We also learnt about space with one of the museum members. At the crime exhibition, we had to figure out who had stolen the microchip. The ocean exhibition was about the monsters of the deep. “I liked watching the way the electricity moved at the Science Centre” stated Sally Brown, a year 6 student. Most students enjoyed going to Brisbane and would like to go again.

Grace Butters

Happy Chappy

Everyone at Dalby State School would like to congratulate our chaplain, Chappy Heather, for the great work she has completed so far this year! Heather has been with us since 2012 and is a very hard working staff member, running hugely popular art and craft classes as well as home economics sessions.

SALLY BROWN

Look out for our editorial in the Northern Downs News.

Interview with Mr Harth

Dalby State School
Groundsman

We have all seen Mr Harth around the school and love to have a chat. Below are some interesting facts about Mr Harth that you may have not known.

Q. How long have you worked at Dalby State School?
A. Since April 26th, 2006.

Q. Where did you work before D.S.S?
A. First I was a farmer and then I went to work at Waminda for 4 and-a-half years before coming to D.S.S.

Q. What is your favourite thing about D.S.S?
A. The students, the staff, the whole school community!

Q. What are your hobbies outside of work?
A. Aviation, flying remote control planes and old time dancing.

Q. Have you lived in Dalby your whole life?
A. Yes.

Q. Did you go to school at D.S.S?

Q. What is your fondest moment at D.S.S?
A. Playing with my friends when I was a student.

Q. What is your biggest achievement been?
A. Getting married and having 3 children.

Q. Where do you get your quick wit from?
A. I was naturally born with it, and I like to make people smile!
