## From the Principal

Thank you to our P&C for organising a successful Creekside Markets. I would also like to express my thanks to the Creekside Markets' working party & co-ordinator who organised, managed and led staff, students and parents during this event. A shout out to all parent, staff and student volunteers who worked on the day!

As we finish this term, I would also like to show gratitude to our staff for their ongoing commitment towards our students. Congratulations to our students for completing various academic tasks, following whole school expectations in and outside the classroom. I would like to express gratitude to our parents for your ongoing commitment towards ensuring children are attending school and for the continual display of support towards our staff.

Thank you to our HPE teachers, Music and Instrumental teachers who continue to work with our students in and outside

the classroom. A special thank you to Ms Sharples for the ongoing work in the extension space, specifically extra-curricular opportunities offered to students, e.g. Opti minds & the Hermitage Science Competition. I would also like to recognise all staff (teaching and non-teaching) who continue to assist our students with extra-curricular activities at school and out in the wider community.

Finally, I would like to reiterate the importance of attendance right up to the very last day. Swimming will commence in Term 4, so please liaise with your classroom teachers regarding the swimming schedule for the second week back.

Have a wonderful week and enjoy the school holidays. Please don't forget that Monday 30<sup>th</sup> September is the first day back in Term 4, we look forward to welcoming staff and students back to school then. During the school holidays, please keep an eye on the school and if you see anything unusual, contact School Watch on – 13 17 88.

Kind Regards

Mona Anau

Principal

Street Hockey

## Girls Mini World Cup

**DALBY STATE SCHOOL**  
**GIRLS MINI WORLD CUP**  
**NIGERIA VS SPAIN**  
**FINAL SCORE**  
**SPAIN 1 NIGERIA 0**

It was another great turn out across Weeks 7 & 8 for the launch of the Girls Mini World Cup event for 2024. It was a great atmosphere around the school, with a lot of fun being had by all participants throughout the 31 action packed games of football across the competition. It is fair to say that Dalby State School has discovered some future football stars.

At the conclusion of all round-robin games Semi-Finals, it was top of the table Team Nigeria who advanced to the Grand Final to take on Team Spain. The game was all tied up for a large portion of the match, with 1 goal from Team Spain putting them in the lead well after half time. Despite a number of late chances and near misses on goal for both sides, including one for Team Nigeria that grazed past the post with just 20 seconds to go in the match, it was Team Spain who caused the upset of the year to win 1 – 0 at full time.

Thank you to all of our girls who got involved in the Mini World Cup event again this year. We now look forward to building on this event again in 2025 & seeing even more of our girls across the school joining in the action. Best of luck to our winners, Team Spain, who get the chance to take on the Dalby State School Staff Team at the end of Term 3.

Term 4 Swimming Timetable:

TIME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
9.40 – 11.00		5C, 6B	3C, 5A	6C	1A
11.00 – 11.40	FIRST BREAK

Creating the future, every student, every day

## Celebrating Queensland's School Crossing Supervisors

Celebrating Queensland's School Crossing Supervisors for 40 years of service

This year, Queensland's School Crossing Supervisor Scheme celebrates 40 years of keeping kids safe as they travel to and from school.

We'd like to say a big thank you to our wonderful School Crossing Supervisors, for everything you do for our students and school community! You do a great job keeping our students and other pedestrians safe as they cross the road in peak drop-off and pick-up times.

Why not say a big thank you the next time you see them on duty! You can also show your appreciation for School Crossing Supervisors by slowing down, following directions and being courteous while travelling in our school zone.

Did you know?

- The School Crossing Supervisor Scheme is operated by the Department of Transport and Main Roads.
  - There are more than 2000 school crossing supervisors who operate over 1300 crossings at more than 700 Queensland schools.
- There has not been a single fatality on a supervised crossing since the scheme started in 1984.
